Ash Wednesday Service
March 6 • 7 p.m. Sanctuary

Ash Wednesday marks the beginning of the season of Lent in the Christian Church, a period of spiritual reflection and discipline marking the forty days before Easter. The Ash Wednesday Service includes scripture readings, special music, and the imposition of ashes.

Tuesday Nights During Lent
Tuesdays, beginning March 5 (Shrove Tuesday) through April 9 Fellowship Hall

A light supper will be served from 5:30–6:15 p.m. with a suggested donation of $5 per person. Menu will be found at www.fumchurst.org/lent2019. You are welcome to bring your own supper if you prefer.

Following the meal, about 6:15 p.m., we will have a community time of Bible study, prayer and singing. Rev. Philip Rhodes will lead a Bible study based on the Sunday sermon scriptures. An alternative Bible-study will be offered for children in kindergarten through fifth grade.

It is important to get an accurate count for those preparing the food (we don’t want to be wasteful!). Please don’t forget to make reservations each week for your meal and childcare at www.fumchurst.org/lent2019 or at the Welcome Center.

Lent 2019
“Life begins with water. Stories of life and stories of new life begin with water. Not surprisingly then, the beginning of most everything that God initiates involves water. Our life began in water, and our new life in Christ begins in water. We are created in water, we are recreated in water, and we are regularly renewed in water.”

—Wade in the Water by Eric Peterson

Our theme for Lent 2019 is “Water.” Throughout the 40 days, we will read, study and ponder the stories of water in the Bible while seeking to deepen our understanding of the sacrament of baptism in the United Methodist Church.

Map Your Own Lenten Path by Choosing One or More of the Following Discipleship Experiences:

Connect with God by:

• Worshipping weekly at either the Genesis Saturday night service or Sunday morning services.
• Engaging more deeply with the sermon each week by using the Sermon Notes and Scripture Notes available at the Connect Desk.
• Worshiping at all special Lenten services: Ash Wednesday, Mardi Gras Tuesday, Good Friday, Holy Saturday and Easter Sunday.
• Spending time each day with God. An Upper Room Devotional Guide is available at the Welcome Center free of charge. Two daily devotional websites:
  • https://dl.uchurch.org/
  • http://www.unitedmethodist.org/logon
• Receiving Communion each Sunday at 9:30 a.m. in Pirtle Chapel.

Connect with People by:

• Attending the Tuesday Night Dinners beginning with the Shrove Tuesday Pancake Supper, March 5 and continuing through Tuesday, April 9.
• Don’t forget to bring your Bible! Participating in the study By Water and the Spirit: Making Connections for Identity and Ministry. This class is for persons desiring to be baptized, parents bringing children to be baptized or anyone seeking to deepen their understanding of the connections between the baptismal covenant and discipleship in daily life (see details on Page 4).

Connect with Purpose by:

• Contributing to the 2019 Children’s Lenten Offering.
• Giving to the Easter Offering. This is an offering that is given over and above our regular commitments and goes to missions; every dollar flows outside the doors of the church into the community and our world.
• Reading weekly Facebook posts about justice issues related to water.
• Drinking only water for one day a week (or 40 days!) and donate the money usually spent on coffee, tea, sodas to the Children’s Lenten Offering.

Come On In, the Water’s Fine!
Search on your computer Wesley Take the Web Baptism and watch the Youtube video from the Wesley Brothers Comics. Like all of the comics and videos posted on the Wesley Bros website, it is silly and serious at the same time. The message of this video is that baptism is deeply connected to discipleship—it’s not just a one-time event.

Lent is the perfect time to learn about baptism in the United Methodist church and decide if it’s the right time to “take the plunge” (that’s a pun because in this community, we generally “sprinkle”).

If you would like to learn about baptism so that you or your child can be baptized on Easter Sunday, register online or at the Connect Desk for one of the By Water and the Spirit classes (there’s even an online class).

Faith and Facts: Water
And God said “Let the waters under the sky be gathered together into one place, and let the dry land appear.” And it was so. God called the dry land Earth, and the waters that were gathered together God called the Seas. And God saw that it was good. (Genesis 1:9-10)

“Life begins with water. Stories of life and stories of new life begin with water. Not surprisingly then, the beginning of most everything that God initiates involves water. Our life began in water, and our new life in Christ begins in water. We are created in water, we are recreated in water, and we are regularly renewed in water.”

—Wade in the Water by Eric Peterson

“The seven last words of Christ begin in water. We are created in water, we are recreated in water, and we are regularly renewed in water.”

—Wade in the Water by Eric Peterson

“We believe water is a sacred gift from God. We further believe water is a basic human right and not a commodity to be traded for profit.” (Book of Resolutions, 1033)

Facts about water:

• Worldwide, 780 million people lack access to safe and clean water and over 2.5 billion lack access to proper sanitation. Over 1900 children die every day from diseases related to lack of clean water and sanitation. (UNICEF)
• Less than half of the populations of the Democratic Republic of the Congo, Mozambique and Papua New Guinea have access to clean water. Two out of every five people without access to clean water live in Africa. (World Health Organization)
• Average water use (in gallons) per day: U.S.: 100, Europe: 50, Sub-Saharan Africa: 2.5 (World Water Council)
• More than 2400 miles of streams and headwaters have been buried as a result of mountaintop removal coal mining in the Appalachian region of the United States. (Earthjustice)
• Gallons of water needed to produce one pound of wheat: 25.
• Gallons of water needed to produce one pound of beef: 2500.

Kindergarten Worship Service

During the fall, the Kindergartners participated in a special Sunday School Unit and learned about the components of worship in the United Methodist Church. As an extension of the Kindergarten Worship Unit, the Kinder class hosted a worship service for their families and their adopt-a-class, Christian Homebuilders, in the Flory Chapel. It was a sacred and meaningful experience for all involved. We would like to share a special thank you to the Kindergarten Sunday School teachers and Lynnette Res for helping with the worship service.

Kids In Mission

In January, children brought gifts to celebrate Epiphany, just as the Wise Ones brought gifts to baby Jesus. Of course the children did not bring gold, frankincense and myrrh, but they did bring individually packaged snacks and juice boxes. Mission Possible Kids then used those special gifts of food to pack 225 lunches for the day laborers at the Fort Worth Stock Show and Rodeo. Many of the day laborers are homeless and purchasing expensive meals at the Stock Show would take much of their earnings. It was so exciting to see the children connect their Epiphany lesson to serving others in our community. Thank you to everyone who helped the Mission Possible Kids, once again, connect with purpose!

Sunday Evening Children's Discipleship Opportunities

Donor is provided prior to each of these events in Wesley 103/104 for $3 per person from 5-5:30 p.m. with advance registration. This schedule also allows time on Sunday afternoon for adults to connect with other adults by participating in Co-m猩ent Groups or Bible Studies.

March 3

Third graders (along with a parent or other adult buddy) are encouraged to participate in "Buddies Buckles" this school year. We will engage in interactive methods to learn how to use our Bibles. Children in kindergarten-2nd grade will enjoy a movie together and engage in discussions about where they experienced God in the movie and how they can apply the lessons of the movie. This is a wonderful way for young children to look for the extraordinary messages from God in everyday places. For questions, contact Jennifer Acker. Register on the "Sunday Evening Children’s Discipleship Opportunities” link on the calendar.

FUMC Hurst members helping shape the future of Mission Central

On Saturday, February 2, FUMC Hurst hosted the Cost of Poverty Experience in partnership with CardPort. The participants simulated the hard choices families in poverty face every week as they try to work, get around town, pay bills and manage other crises that arise. Many were surprised at how little time there was to accomplish everything needed to try to make ends meet. Others were surprised by how some of the services with the best intentions to help those in need ended up being the least helpful because of how much time they wasted. The availability of some of these services has not been effectively communicated in ways that reach those who need them most. It was eye opening for those who came to experience it, as well as for those who came as volunteers. Many in our church will continue to be critical in helping empower our neighbors to find living-wage employment.

Mission Central’s board includes members from a variety of churches and professions, so that the board has a broad body of knowledge to draw on when making decisions. Other board members include Vice President Kathryn Rettier, Treasurer Beth Engelhardt, Secretary Deanna Molander, Pastor Stan Cramb, and members-at-large Ken Elchle, Ken Hussein, Ashleigh Johnson, Chris McRay, David B. Medina, and Howard Shaw.

In addition to board positions, there are many volunteers opportunities with Mission Central to help connect you with the organization’s mission.

FUMC Hurst

A Word From the Youth Director

Summer mission trips are a part of the DNA of the Hurst Youth Ministry. Every summer, our youth group travels to a different city, sometimes in a different state, and spend a week bringing the hands and feet of Christ. Many students say that our youth mission trip is their favorite thing we do together each year. They say that they will adjust their schedules to accommodate the mission trip. This is an extremely special event that we love.

This year, high school students will be traveling to Indianapolis to love neighbors struggling with poverty and homelessness. Junior high students will be traveling to both Guthrie, OK, and Oklahoma City to spend time supporting a foster care ministry that loves and serves children and families. Both of these trips will be focused on the theme of “Love Thy Neighbor,” exploring what it means to be a good neighbor to all people.

We will be going to a different city, in a different state, to love our neighbors because God first loved us. We will serve others, not because we have to or because it is the ‘right’ thing to do, but because it is a way to put our faith into practice and live out what we believe.

We are very excited about the upcoming trips. We ask that you be in prayer for our students and leaders as we prepare our hearts and minds to leave the comforts of our normal routines, that we would be filled with the love of God, who first loved us and ready to live out our purpose of being a loving neighbor.

Safety and Security Fund Update

As announced last August, the Trustees approved a plan for the installation of security cameras to cover the inside and outside of the building, as well as a few other safety measures. A designated fund has been created, with the hope of raising $20,000 to fund these security measures. $5,000 has been donated thus far. Once all of the money is raised, we will be able to put this stage of the plan into place. Thank you to all who have donated! If you wish to make a donation to this fund, please mark it “Safety and Security Fund” and contact Lori Friend in the Business Office.
